25X1 1. On 6 September 1950 the barracks installations on both sides of Highway No 109 in Prenzlau (N 54/Q 14) seemed to be virtually deserted. Three soldiers wearing red-bordered black epaulets were in front of the guard-house.

25X1 2. On 9 and 10 September 1950 Prenzlau gave the impression of a deserted military post. No more than nine soldiers were seen in the town during a two-day period. *

25X1 * Comment. The report indicates that the units of the 25th Tank Div from Prenzlau were still at the Templin maneuver area on 10 September 1950.
